FYI, he is talking to Channel 9 right now about theft from autos/Ring. He's going to talk about how we closed 2 using Ring.

This is an on camera interview

Subject: Ring theft from auto incidents

Wednesday 8/21

Panther Ln

Ring Camera captured suspect on video; citizen discovered car ransacked in morning; our Detectives recognized him as a Bowie HS Student. He was arrested.

Saturday 8/24

Delcastle Drive

Ring Camera activated at 1am; resident saw 3 subjects attempting to open her vehicle doors; 3 adults arrested (2 from DC, 1 from Baltimore)

However, the Baltimore suspect from the 24th, Michael Evans, gave us a Bowie Address (D Section) during a field interview on 8/28 at 120 am after a citizen called police about someone going through their car. He matched the description, was interviewed and sent on his way.

Greetings,

Please pay special attention during the midnight tour of duty for the following vehicle.

2006 Honda Accord Silver/Beige

Maryland Tag: 

It is possibly occupied by 4 Juveniles (See Field Observation Report Attached) that was connected to various theft from auto's that occurred on 07/27/19.

On Today's Date, we received a call for this same vehicle in the area of 16010 Excalibur Ct with 4 juveniles pulling on door handles (CFS#: BOWP19073000000100). Let's try to target this vehicle and get a good closure on it!
